MEET after school on Mondays

Welcome to Science!

I am very excited to study a wide range science topics with you this year! Topics will range from Earth Science, Life Science, Physical Science, to Technology and Engineering. We will work together to look at topics both scientifically and creatively.

TEXT ALERTS

Text your class code below to **81010** to receive daily messages about tests, quizzes, homework, and more.

Class Codes:

Period 2: @a8c6af
Period 5: @8e8hkg
Period 6: @86bhbb
Period 7: @236g78

MATERIALS

writing

GRADES

35%	Classwork
20%	Tests & Quizzes
20%	Standard Assessments
15%	Homework
10%	Participation

YEAR AT A GLANCE

AUG

UNIT 1 *Earth's Place in the Universe*

We will explore Earth's role within our Solar System, galaxy, and universe.

OCT

UNIT 2 *Matter and Its Interactions*

We will investigate both physical and chemical properties of matter. Including chemical reactions and energy.

DEC

DEC

UNIT 3 *Earth's Systems & Biological Evolution*

We will analyze and interpret evidence of rock layers and fossils. Deducing and describing changes of life forms throughout Earth's history.

FEB

FEB

UNIT 4 *From Molecules to Organisms*

We will examine cells and be able to describe cellular functions and how body systems interact to carry out essential functions of life.

MAR

MAR

UNIT 5 *Waves*

We will dissect the properties of waves and signals. Relating to the applications within technologies for information transfer.
